PROFILE SUMMARY

Competent at handling problems and working in a hectic setting. Professional with 2 years' experience as a virtual assistant and in customer service. I can easily adjust to any environment or industry changes since I am adaptable. I have the patience and drive to continuously learn new skills and put them into practice. I am confident in my ability to troubleshoot and investigate if I don't have enough information to accurately and quickly address any new issues that the customer accounts may encounter.

SKILLS

- ♦ Interpersonal and customer service skills
